Core Qualifications

- Information management
- Infection control
- Test result interpretation
- Pain Management
- Patient assessments
- HIPAA regulations
- Communication
- Empathy

Adept medical doctor with eight years of practice experience. Dedicated to exemplary patient outcomes and following all necessary medical procedures with the use of the latest industry equipment and technology. Strong focus on listening to and addressing patient concerns and answering all questions in terms patients can easily understand. Willingness to work with all members of the medical team and listen to their suggestions and input to improve results and maximize patient satisfaction. Specialized as a general internist during residency, providing me with knowledge of a range of health issues that impact internal organs.
